Thank you for your interest in applying to the Longwood Foundation. Applications for Spring 2025 are due on March 1st. Our mission is to be a catalyst to strengthen nonprofit organizations throughout the state of Delaware, in addition to the area of Kennett Square, Pennsylvania within a four-mile radius around Longwood Gardens. Before submitting an application, please visit Guidestar to either create a profile or review your current profile (updating as necessary). When preparing this proposal, please visit our website: <https://longwoodfoundation.org>. On this site you will find guidelines, what to know about the Longwood Foundation's grantmaking, FAQs, information on our grant life cycle, and the opportunity to sign up for Information Sessions and Pre-Meetings.

## *Executive Summary - Organization & Grant Request*

---

### **Executive Summary - Organization & Grant Request\***

Please include an Executive Summary of no more than 10,000 characters (approximately 1.5 pages). In preparing information for the Longwood Trustees, staff prepare an Executive Summary of each request. This field will serve as the foundation for that document. In this section you should address the following information:

- Organization
  - Organization name and founding year
  - Organization mission
  - Brief (2-3 sentence) organization overview
- Grant Proposal Project or Program
  - Problem statement (what challenge or issue are you working to address?)
  - How do you plan to address this problem (your project overview)? What will grow, strengthen, or improve as a result of this grant?
  - How much are you requesting and what is the total cost/budget of your project?
  - Have you already raised funds for the project? How much and from whom?
  - How will you financially sustain the project when the Longwood grant runs out?
  - How will you measure success (outcomes)?

### **Overview of the Cash Flow Projection**

The cash flow projection (sometimes referred to as a cash flow forecast) is a forward-looking tool that helps us to understand and pressure test your ambition, project plan, and pace of growth against your existing scale and sources of income. This document asks you to predict the revenues and expenses over the length of the grant (typically two years). Note that this differs from the historical cash flow statement that would be included in your financial statements. A cash flow projection serves as a functional reality check for you and for us. We ask that you make some thoughtful and informed assumptions about what will materialize over the grant period, and explicitly articulate those assumptions in the document. These assumptions are the explanation as to how you landed at the revenue and expense projections. We do not expect you to have a crystal ball. We recognize these will not play out exactly as articulated. However, we have found that organizations who have their arms around this tool

and who lean into using it are best positioned to weather the uncertainty of nonprofit fundraising as well as set realistic and ambitious goals and operational plans for growth. Given that we are looking to understand how you will sustain this new level of operations and impact after our grant, your cash flow will illustrate how our grant serves as a bridge from your existing state of operations towards your planned future state.

Cash allows you to pay your employees and vendors, and we ask for the granularity of a monthly or quarterly look because it allows us to understand the cash inflow and outflow need that play out over the course of a grant. This document is the glue between your project plan, proposed outcomes/measures of success, and historical financials – and serves as a road map for you to measure your financial progress against your plan if a grant is made.

### **Two-Year Projected Cash Flow for the Project\***

If requesting funding for a specific project or program (as opposed to general operating support), we ask that you please provide a two-year cash flow projection specific to this project/program. Please identify the assumptions you use and note either in the footnotes of the spreadsheet or in the field below. This cash flow should show a future monthly or quarterly two-year projection of the project/program financials. You may use your own format or reference the StrongNonprofits.org toolkit. Please note if using their template, it will need to be modified for two years.

When creating the cash flow, you should assume your request will be funded by Longwood and this line item should be explicitly called out in the cash flow projection. Remember to explain the assumptions used and note these. If a cash flow is not applicable to your specific project or program, please explain why in the field below.

Note -- a two-year cash flow projection for the organization will be addressed later in the application.

If this document was built in Excel, please provide the Excel version (as opposed to PDF).

### **Projected Cash Flow Assumptions**

### **Source(s) of Remaining Cost of Project/Program**

Provide list of funds promised and funds in hand.

## Fundraising Plans\*

If Longwood request amount and funds in hand are not sufficient to complete the project (or to fund your operations), where will you obtain the remaining funds required?

*Character Limit: 5000*

## Sustainability Plans

If the request is for operating or program funding, how will you replace Longwood's funding at the end of the grant period to sustain the operations or program? We recognize that there is rarely a perfect answer to this question, but we would like to understand your plans to replace our funds when they run out.

*Character Limit: 5000*

## What are your contingency plans, should your request not be awarded?\*

Please address what your organization would do, should your request not be fulfilled.

*Character Limit: 5000*

## *Proposed Measures of Success (Outcomes)*

---

### Proposed Measures of Success (Outcomes) for the Project\*

How will you measure the success of this project? Proposed outcomes should be translated into 2-4 bullet points (metrics) that describe (ideally, quantitatively) what will grow, strengthen, and/or improve because of this work. If possible, include your current performance (baseline) on the same metrics. Another way to think about these is to consider what your Board is holding the leaders of your organization accountable for in the next 18-24 months as a result of this grant.

We look to you to define what success looks like through our grant, and quantitatively how you'll know you've achieved it. These should speak to and resonate with how you think about success. For this reason, many nonprofits are strongly positioned to provide these when they can lift them directly out of their strategic plan.

Note that should your organization receive a grant, the Longwood Foundation will likely ask that you not return with another request until the time frame for the outcomes of this grant has elapsed.

To that end, if you receive a grant and would like to return to Longwood with another request in two years, you may wish to choose an outcome timeline ending no later than December 31, 2026.

Please see **What to Know About Outcomes at The Longwood Foundation for further information:** <https://longwoodfoundation.box.com/s/bk16ccgovovyf5iobduxecft5pzgez7s>

### **Instructions for Providing Financial Information**

In addition to your most recently completed independent audit report, please provide interim current year Statements of Financial Position (Balance Sheet) and Statements of Activities (Profit & Loss Statement) that also contain the same prior year period numbers for comparison purposes.

We expect that organizations whose revenue last year was above \$5 million will have audited financials. We would prefer that smaller organizations do as well. If no independent audit is available, please explain why and provide the most recent year-end Statements of Financial Position (Balance Sheet) and Statements of Activities (Profit & Loss Statements) that also contain prior year-end numbers for comparison purposes. The same statements, with

comparable prior year numbers, are required for the interim period since your most recent year-end.

*During our meeting to discuss your application, we are likely to have questions about your financials. If the Executive Director is not familiar with the organization's financials, please ensure that your financial expert joins the meeting.*

### **Latest Financial Audit\***

If a financial audit is not available, please provide the end-of-fiscal-year P&L Statements for the previous two years.
